

Greg Martino
Vice-President & Chief Valuation & Standards Officer
Municipal Property Assessment Corporation (MPAC)

Greg Martino is Vice-President and Chief Valuation & Standards Officer at MPAC providing strategic oversight and direction to the development and implementation of valuation standards and policies supporting the valuation of over 5.5 million properties in Ontario, Canada. Greg leads a team of valuation experts providing oversight to some of the most complex property portfolios including office, retail, industrial and special purpose properties. His portfolio also includes mass appraisal standards and MPAC's data science practice. With more than 30 years' experience in the industry, Greg holds a M.I.M.A. Designation from the Institute of Municipal Assessors (IMA) and served as the IMA President for the 2022-23 term.
